Salt Dough Recipe Card

4 cups flour                  2 cups salt
2 cups water                 2 T. cream of tartar

Mix all ingredients in a large bowl, using our hands as it becomes difficult to stir. Knead it until thoroughly smooth. If it’s too sticky, add more flour. If crumbly, add water, a tablespoon at a time.

Put in a ziplock bag with the student’s name on it.
